About Noves Automations

NOVES AUTOMATIONS Machining Division is a fast growing small scale unit engaged in machining of precision components. Ours is a leading company having machining setups such as CNC turning centre, CNC vertical machining centre (VMC), and other tool room machineries.

We are well experienced in handling job works as well as production works in materials like Aluminium, Steel, Plastic, Cast iron, Hylam etc.

We are speclised in machining and assembly of jigs, fixtures, gauges and very critical components of Various engineering fields like Automobile, Aerospace, Defense, Railway, Medical Earth moving machinery, General Engineering, Marine etc. Noves Automations is professionally managed by specialized dynamic workforce and equipped with high-tech facilities..

Made : CHEVALIER,
Model : QP 2033

XY TRAVEL : 530x850mm
MADE IN TAIWAN

VERTICAL MILLING MACHINE

Made : DMG MORI
Model : 600 V

XY TRAVEL : 600x550mm
MADE IN GERMANY,

VERTICAL MILLING MACHINE

Made : BFW,
Model : BMV 40

MADE IN india

VERTICAL MILLING MACHINE

Made : BFW,
Model : BMV 51

MADE IN india

VERTICAL MILLING MACHINE

Made : JYOTI,
Model : DX 150

MADE IN india

TURNING CENTERS

Made : JYOTI,
Model : DX 200

MADE IN india

TURNING CENTERS

Made : AMS WINNER
Model : MCV 300

Bed Size : 500 x 300 x 300
MADE IN india

VERTICAL MILLING MACHINE

Made : LMW
Model : JV KRAFT

Bed Size : 800 x 500 x 500
MADE IN india

VERTICAL MILLING MACHINE

Made : BFW,
Model : BMV 50 TC

Bed Size : 750 x 500 x 500
MADE IN india

VERTICAL MILLING MACHINE
